Dear Dr. Arikoglu:

It is a pleasure to accept your manuscript entitled "The diagnostic value of impulse oscillometry and plethysmography for the assessment of exercise induced bronchoconstriction in asthmatic children" in its current form for publication in Pediatric Allergy, Immunology, and Pulmonology.

Please be sure to cite this article to ensure maximum exposure of your work.

All authors will get a follow-up email with instructions on how to complete our online Copyright Agreement form.

The corresponding author is responsible for communicating with coauthors to make sure they have completed the online copyright form. Authors not permitted to release copyright must still return the form acknowledging the statement of the reason for not releasing the copyright. The corresponding author will receive notification when all copyright forms have been submitted.

Consider Liebert Open Option to have your paper made free online immediately upon publication for a one-time fee. Benefits of Liebert Open Option include: accelerated e-pub ahead of print publication; email message highlighting the article; increased readers, citations and downloads; an identifying icon in the table of contents showing that the paper is permanently available for free to all readers; and immediate deposition into PubMed Central®. Please, contact OpenAccess@liebertpub.com, or call (914) 740-2194 for more information.

If your institution is not currently subscribing to this journal, please ensure that your colleagues have access to your work by recommending this title (http://www.liebertpub.com/mcontent/files/lib_rec_form.pdf) to your Librarian.

Thank you for your fine contribution. On behalf of the Editors of Pediatric Allergy, Immunology, and Pulmonology, we look forward to your continued contributions to the Journal.

Sincerely,

Dr. Mary Cataletto

Editor, Pediatric Allergy, Immunology, and Pulmonology
