Dear Fahri Ozsungur,

On behalf of the Review Committee for the **Aging & Social Change: Ninth Interdisciplinary Conference**, Sep 16, 2019 – Sep 17, 2019 at University of Vienna, Vienna, AT, this letter confirms your presentation proposal “The Effects Of Perceived Available Support, Physical Activity, And Loneliness On Successful Aging In Turkish Older Adults” has been accepted. We believe that your presentation and participation in general discussions will make a significant contribution to the conference.

The annual conference is an integral component of the Aging and Society Research Network. Founded in 2011, the Aging & Social Change Research Network is a forum for discussion of challenges and opportunities for a rapidly growing segment of the population worldwide. The process of aging is a concern for individuals, families, communities, and nations. The social context of aging provides a rich background for community dialogue on this, one of the critical questions of our time.
